# ST DUNSTAN'S PRE-SCHOOL

We are a **PLAY BASED** school that focuses on the holistic development of each child. Our integrated approach to education helps to develop our children's Critical Thinking, Communication, Collaborative and Creative skills.

**Critical thinking** is all about solving problems. **Creativity** teaches children to think outside of the box.

**Collaboration** shows children how to work together to achieve a common goal.

**Communication** lets children learn how to best convey their ideas.

Learning these skills in Pre-School sets a firm foundation for our children.
