## AFTERCARE CONTRACT

Dear Aftercare Parents,

I would like to welcome you to the **ST DUNSTAN'S COLLEGE AFTERCARE AND HOMEWORK FACILITY**.

### RULES AND OBJECTIVES

We, at the St Dunstan's College Aftercare and Homework Centre, create a caring environment of friendliness and warmth, a second home where children feel welcome and safe.

We encourage the children to participate in extra-murals where they have excellent opportunities in the variety presented in the afternoons.

As a concerned parent myself, I know how important it is to have a safe environment for our children and I therefore assure you that we will do everything in our power to keep the children safe from any harm or danger.

We feel that the children should have a good lunch as many parents find it difficult to prepare a meal when coming home late from work and still have to see to the family's needs.

The children's homework is controlled and supervised to the best of our ability, as there is compulsory homework time for all the children.

We will contact the parents immediately should the child need urgent medical attention and we will report daily on any illness or ailment the children might have experienced.

We would appreciate it if the parents could advise us should children have any specific medical conditions so that we can attend to and assist the child. Please make sure that the Aftercare Centre has the necessary medication needed for special conditions eg. Celestamine for allergic bee-sting reactions etc. and written consent to administer it.

### DISCIPLINE

There are occasions when we have to discipline and guide children who are destructive, disrespectful, disobedient, dishonest, use bad/foul language or who harm other children.

The children are in our care and we are responsible for their safety and happiness, and we are therefore held responsible for their conduct when you are not there to witness their actions.

The full co-operation of the parents and guardians would be appreciated with regards to our discipline policy.

### HOT LUNCH

Lunch is prepared and provided by ourselves, and we do try to cater and facilitate a lunch that is nutritious and wholesome.

Parents are asked to inform us of any special dietary requirements. Please note that parents must please also supply the required food for the children who have special diets.

Please supply a doctor's letter should your children have any food allergies. It is alarming that quite a number of children do not eat vegetables. It is of vital importance that children eat vegetables and fruit as part of a healthy diet and at the Aftercare Centre we ensure that vegetables and fruit form part of the daily menu.

The children must please inform us to keep their lunch, should they have to attend extra-murals or detention, straight after school. Please bear in mind that the kitchen closes at 16h00.

Further to this, please note that the Aftercare Centre cannot cook food for individual tastes and needs. Please check the weekly menu and provide alternative lunch if your child cannot eat what is provided.

All communication and correspondence must be addressed to **Mrs Steyn** ([aftercare@stdunstans.co.za](mailto:aftercare@stdunstans.co.za) or phone 083 465 2004 during Aftercare hours 13h00 – 17h30).
