ST DUNSTAN'S COLLEGE  
EST 1918

St Dunstan's College is an independent, Anglican, English-medium co-educational school in Rynfield, Benoni, founded in 1918. From its humble beginnings St Dunstan's has grown into a leading independent institution that includes the original Preparatory School, a Pre-School and a College.

## PRE-SCHOOL: PHILOSOPHY

Our mission is to forge character through a holistic, co-educational, and personalised learning experience grounded in our Anglican tradition, inspiring every child to flourish and fulfil their potential as they learn to serve others with integrity. Within our Pre-School, we aspire to create a space where children learn through love, individual attention, and rich, hands-on experiences. Our dedicated teachers live out this vision each day, upholding our reputation as a leading independent, co-educational Christian school.

While we care deeply about academic growth, we believe a child's emotional well-being is just as important. Our goal is to nurture kindness, resilience, and curiosity, helping children to build positive friendships and thrive in their social world. We respect that every child develops at their own pace, and we see challenges as valuable opportunities to learn.
